

Change Your Life for the Better

With the New Science of Happiness and Postive Psychology

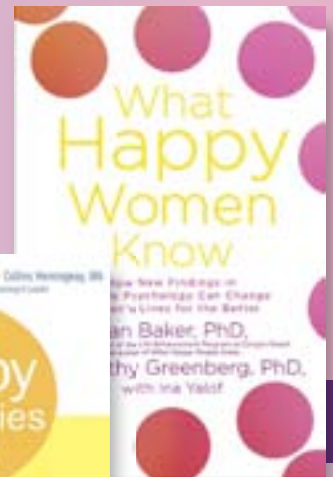

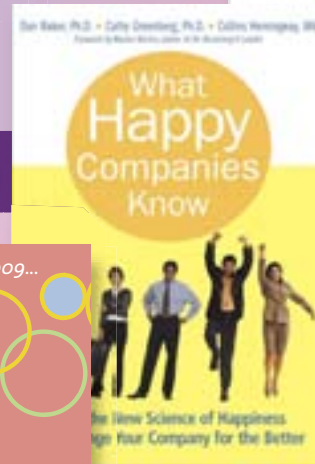

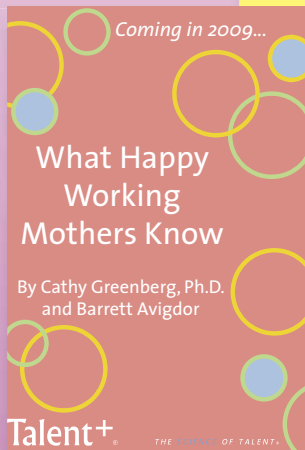

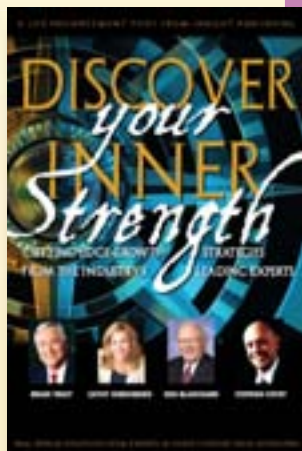

Why should you read award winning coauthor, Dr. Cathy L. Greenberg's books *What Happy Companies Know* and *What Happy Women Know*? Because what you don't know is that the secret to high performance is actually combining "the new science of happiness" and peer coaching with strength based talent management for leadership success.

h2c is a beacon for happy companies, healthy people and truly gifted leaders. At h2c, "Happiness = Profit" is our winning formula for executive development, applying focused research and publications featuring positive psychology which is proven to enhance performance.

h2c achieves outstanding results transferring coaching knowledge, tools & techniques through peer networks providing enhanced personal awareness and executive development, greater career success and increased life satisfaction.

Cathy is an accredited Executive and Personal Coach with membership in the International Coaching Federation and the International Association of Positive Psychologists. Find your network coach at h2c with partners who demonstrate their personal and professional commitment to developing "Executive Excellence."
